

Thank you for being a valued member of US Physicians' Purchasing Group (USPPG). USPPG is happy to inform you, we are working with Maxim Healthcare Services to provide additional discounts for our members! Maxim is a nationwide healthcare staffing agency that has more than 250 offices to assist you with your recruitment and staffing in areas such as: Nursing, Allied Health (medical assistants, x-ray technicians, etc.), Medical Coding & Billing, Physician Staffing and In-home services. In addition, you have the option to hire the employee with NO CONVERSION FEE after the employee works a minimum number of hours!

► **Staffing Solutions**

Maxim Healthcare Services is a strategic healthcare partner providing integrated workforce solutions from medical-related staffing to home health and wellness services. Maxim partners with many of the nation's top hospitals, medical facilities, managed care organizations, school systems, and other healthcare-related organizations by providing contract, temp-to-perm, per diem, and direct hire personnel.

- **Allied Health Staffing** staffs healthcare professionals for local and travel assignments in a variety of allied health specialties, from physical therapists to pharmacy technicians and laboratory technician.
- **Nurse Staffing** recruits and retains nursing professionals to supplement the staffing needs of medical facilities for local and travel assignments including acute care nurses, long-term care nurses, care coordinators, and case managers.
- **HIM/Medical Coding Staffing** offers a variety of health information management (HIM), medical coding, auditing, and clinical documentation improvement (CDI) solutions for healthcare facilities.
- **Physician Staffing** specializes in staffing permanent placement and locum tenens physicians and mid-level practitioners in private practices, clinics, and hospitals.
- **Executive Placement** provides customized executive search solutions for healthcare management positions including directors, managers, supervisors, and specialized staff-level personnel.
- **Workforce Management Service** partners with a variety of healthcare facilities to implement a technology-based workforce management approach that serves your specific organizational needs.
- **Travel Nurse Staffing** specializes in the recruitment, coordination, and placement of traveling nurses and allied health professionals, enabling clients to work with healthcare professionals who may not be available in their local areas.

► **Population Health and Wellness Services**

Maxim also provides a suite of wellness-related services. Whether a company's goal is to reduce healthcare costs or improve the productivity of their employees, Maxim can help through offerings of:

- Flu vaccinations and other immunization services
- Biometric screenings and data analytics
- On-site corporate wellness services
- Health coaching

► **Homecare Services**

Maxim delivers a comprehensive level of care, serving the needs of adult and pediatric patients in the comfort of their homes. Maxim's caregivers will work with the patient, family, and physician to implement a plan of care that promotes quality through supervised assessments and clinical care coordination.

- **Certified Home Healthcare for Adults and Pediatric Patients** focuses on the home healthcare needs of children, adults, and their families.
- **Private Duty Nursing** provides care up to 24-hours a day for patients with complex healthcare needs such as feeding tubes, tracheotomies, ventilators, and IVs.
- **Companion and Personal Care Services** provides daily living assistance to patients in the comfort of their homes.
- **Behavioral Health Services** enhances the quality of life for individuals with developmental, behavioral, and mental disabilities including Autism and IDD.
- **School Nursing Services** provides nursing staff that can follow the student from the classroom and into the home, providing a level of continuity in the student's care.
- **Intermittent Care** provides care in the home as needed or ordered by a physician for surgery recovery, wound care, disease management, rehabilitation, and medication management.
- **Medicare certified offices providing senior care** fosters independence for seniors while assisting with their post-acute needs to improve quality of life in their homes.

The Perfect Fit For Your Healthcare Needs:

- More than 250 offices nationwide and operations in more than 40 states.*
- Contracts with hundreds of different insurance companies, provider networks, and other healthcare organizations across the country.*
- In 2015, Maxim cared for more than 46,000 homecare patients nationwide.*
- With over 25 years of experience in delivering quality patient care, we strive to be the partner, provider, and employer of choice for caregivers, patients and customers.

Maxim Healthcare Services is a leading provider of medical-related staffing, home healthcare, travel nursing, and population health and wellness services across the United States.
